Organization descriptions:

- **Freethinkerssince87**: Creating Create Art Not Violence, a project established in the Central community. Their goal is to decrease opportunities of violence and mental distress by providing physical activity and creative youth development activities for youth ages 8 to 14 in the Central neighborhood during Covid-19 and social distancing.
- **Furaha Forever Productions**: Will provide Our Family Creative Kit to families in need. With these kits, they want to encourage and help families alleviate stress during COVID-19 crisis. Each box will contain a different activity for children and families to explore their creativity while creating bonding memories. They also will donate art supplies, host their painting in the Park Virtual Party and provide a small stipend for artists that have committed to being a part of their virtual party.
- **Garfield Human Development Corporation**: Operates one of the largest food pantries in the area serving 2,000-3,500 people each month during the Covid-19 crisis. They normally distribute to about 600 people each month in past years, so their clientele has increased by 4-5 fold. Funding will offset food and operational costs associated with the increase in demand that they are experiencing due to COVID-19.
- **Generational Liaison for Overcoming Obstacle (G.L.O.O)**: Will provide activity kits to youth ages 5-12 yrs that will contain a variety of fun, safe activities children can use at home while practicing social distancing. Some of the items include jump ropes, sidewalk chalk, balls (basketballs, footballs), reading books, coloring books, board games, cards, puzzles, etc. They will host and monitor a video chat room for students which will allow them to socialize with their peers.
- **Gilmore Girls Greetings Foundation**: Will provide family creative kits to families in need. Their mission is to empower neighbors to help neighbors through small gestures of giving. Our motto is “give what you can, take what you need”. The boxes are just like a Little Free Library, except filled with non-perishables, toiletries and notes of positivity all donated by individuals. There are six official “Little Free Pantries” (LFPs) (http://mapping.littlefreepantry.org/) in eastside Cleveland neighborhoods and eastside inner ring suburbs where high rates of poverty and unemployment exist.
- **Girls United: I AM YOU**: Enriches the lives of women through healthy living. They will supply products and services to women who are in need of hygiene products, transportation, and food. They bring young mothers, daughters, family, and friends together because we are all going through this pandemic together. There are many single mothers who are barely surviving during these trying times. Their goal is to supply care packages for these women.
- **Give Box Cleveland**: Mission is to empower neighbors to help neighbors through small gestures of giving. Our motto is “give what you can, take what you need”. The boxes are just like a Little Free Library, except filled with non-perishables, toiletries and notes of positivity all donated by individuals. There are six official “Little Free Pantries” (LFPs) (http://mapping.littlefreepantry.org/) in eastside Cleveland neighborhoods and eastside inner ring suburbs where high rates of poverty and unemployment exist.
- **Good Hands Child Care**: Provides safe childcare for children in Cleveland Heights. Funds will be for cleaning products, food, and for supplies.
- **Hand Up Ministries**: Provides Baby Care Necessity Baskets to Glenville Families in Need. Baby Care necessity baskets to include diapers, wipes, hygiene supplies, baby food and/or formula.
- **Hart Foundation**: Will provide meals for the children and youth of the West Park Community in the city of Cleveland Ohio. The meals will begin in June 2020 and extend through August 2020. They have partnered with the Cleveland Clergy Coalition, and three of the leading churches on the west side of Cleveland to help make this a reality.
- **Hasani Management Inc.**: Through their Urgency of Safety and Optimal Health program, will teach people how to make their own masks and urge people to wear them. They will also provide access to care packages of hygiene products to those in need, ensuring people have access to maintaining proper hygiene. They will also raise awareness for the need of healthy mental health by creating open forums discussing our state and condition and how this pandemic is affecting us all.
