Gathering this “Spark” came from (name and date):

List and contact info of at least 2 other members of group:

What’s a “Spark”? A “Spark” is an idea that comes from three people coming together and seeing a new possibility or hope to make change. This idea emerges from conversations and generates energy and enthusiasm.

Initiative Information

Describe the conversation (the “spark”) where this idea came from and what is/are the goal(s) of this effort.

Why is this “spark” important to act upon?

How will you accomplish this goal? What will you do?

What is the timeline for achieving these goals?

Are there any organizations, consultants, and/or individuals you will work with to accomplish this work?

Where will this pilot/initiative take place? (neighborhood, city).

Budget

Please provide a BRIEF itemized budget on how requested funds will be spent.

Please return completed application to
sparkgrants@neighborhoodgrants.org
